Hello Residents-

Our RAD Conversion is underway and almost complete. We are scheduling two sessions to meet with the residents as a group to review the lease and any changes that will affect you. Please join us at one of the scheduled sessions, 3/12/20 from 1-4PM in the community room or 3/19/20 from 4-6PM in the community room. Packets are being prepared for each apartment and light refreshments will be served. If you are not able to make it to one of these meetings, please reach out to the office to schedule a meeting to review and sign the new lease.

Please be advised that the black cart that is located in the lobby is for all residents to use. It must be returned to the lobby immediately after use.

If you have any suggestions, please feel free to put them in the suggestion box located in the lobby near the elevators. If you have any organizations that you would like us to get in the resource center- please share the information with the office.

Thank you

Administrative Office
